**ORDER DENYING DEBTOR'S EMERGENCY APPLICATION FOR
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**
[Relates to Adv. Docket No. 1]

The Court has considered the *Plaintiffs’ Complaint and Emergency Application for Temporary Restraining Order and Preliminary Injunction Pursuant to Bankruptcy Rule 7065* (the “Emergency Application”), and all objections thereto; and the Court having jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. § 1334; and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court

having found that venue of this proceeding in this district is proper pursuant to 28 U.S.C. § 1334; and this matter being a core proceeding pursuant to 27 U.S.C. § 157(b)(2); and this Court having reviewed the Motion and all objections thereto; and the Court having held a hearing (the “Hearing”) on the Motion; and the Court having determined that the legal and factual bases set forth in the objections and at the Hearing justify denying the relief requested in the Motion; and the Court finding that the Motion lacks merit and the objections thereto should be sustained; and after due deliberation and sufficient cause appearing therefore, **IT IS HEREBY ORDERED THAT:**

1. The Emergency Application is **DENIED**.
